

UNITY CHRISTIAN SUMMER PROGRAM

“Camp Wanna Learna-Lotta”

June 1st - July 24th

Attention Parents:

Welcome to our Summer Program 2020, and thank you for choosing to send your child to us this year! We are going to have to instill some changes to align with the current COVID-19 guidelines, and you can find those outlined in this letter.

First, please notice that class sizes this year will have to be monitored closely, if there is to be a change in your child's schedule, please send a note or call the school as soon as possible.

Next, this year we will have a designated entrance and exit location for your children. All students are to be dropped off at the Front Door of the Main Building. In order to maintain the safety of the students and staff, we ask that **parents walk students to the door, but do not enter the building**. A staff member will meet you at the door to take your child's temperature and sign them in. They will also give you any necessary paperwork or items at this time. All students will then be picked up at the cafeteria door. A staff member will again meet you at the door and send your child out with their belongings. Also, students will be required to wear a mask when in close contact with their peers. We will be keeping them six feet apart when possible, but when in close contact, a mask will be required. All staff will be wearing them as well. **Prepare to send a clean mask, labelled with your child's name each day**. We are also unable to use the water fountains this year, **therefore, please send a case of water with each child, labelled with their name**. We will keep this in their classroom for their use only.

On your first day, you will receive a welcome packet with forms to fill out. The forms will designate those authorized to pick up your child and give emergency contact information. Please complete all forms, and return to the school ASAP. Although we are unable to take bus trips this summer, we are still including the Field Trip Permissions Form in case circumstances change. Pre-K students will need to bring a kindermat, blanket, and a small pillow for naptime, along with a change of clothes in a Ziplock bag. **Please label all belongings**. These items will be sent home weekly for washing. Also, please refrain from bringing any toys from home to school.

Some important times to notice from our daily schedule are the meal times. Meal times are not flexible and are included in the cost of the program.

BREAKFAST: 8:30-9:30

LUNCH: 11:30-12:30

We will also be following COVID guidelines when it comes to groups of students in the cafeteria. Most students will be eating in their classrooms.

*Note: If you are sending a packed lunch, be sure to include a drink, or send \$0.45 for a milk. All items must be disposable.

**Also, please be aware when packing lunches, that we do have students with *peanut and tree nut allergies*, so please avoid sending these items with your children.

Please note that things may change throughout the summer, depending on state guidelines. We will most definitely follow the guidelines during the month of June, but things could change in July. We are so excited about the opportunities we are offering this summer, and we hope to use this time to keep your child engaged in learning, but also allow them to have a fun, enjoyable summer. Please contact the school office if you have questions.

Thank you!

Caitlyn Boyd
